

Event Equipment Available for Use

600 Feet of Upscale Event Fencing - 900 Feet of Rolled Mesh Fencing

“Upscale Fencing”

“Rolled Mesh Fencing”

The fencing can be used for crowd control, or to designate a picnic area or beer/wine garden. Both fencing options meet ABC standards to contain beer/wine vending areas.

Please note that the upscale fencing can be used on hard surfaces. The rolled mesh fencing is generally intended for softer surfaces where the fence posts can be driven into the ground.

Cost to Event Producers: There is no cost to use the fencing equipment for city permitted events. The Event producer will be responsible for transporting equipment from storage, set-up and breakdown and then returning to storage area in good condition. (ERO personnel can be hired at a rate of \$25/hour to do this based on availability) **Event producers must include equipment on their insurance policy (see below) ERO will coordinate.**
